MIXOLOGY & CAFETERIA

The world of mixology and cafeteria is constantly evolving and its public is increasingly informed, demanding and in search of new and distinctive tastes.

Polot 1882 with its extremely versatile range of products meets the needs of the bartender and restaurateurs to enable them to satisfy the most demanding palates at the various consuming times of the day.

Polot 1882 is a brand dedicated to innovative and high quality mixology and cafeteria products. It is a point of reference for professionals, the quality of its products is the result of great attention to details and constant research for new recipes; next-generation ingredients to guarantee an authentic taste and an incomparable experience.

Polot 1882 is also synonymous of elegance and refinement: the choice of black as the colour for its image, in fact, recalls precisely these characteristics conveying a sensation of luxury and sophistication which will in turn be conveyed to the image of the counter and the bar.

Polot 1882
THE REAL ITALIAN TASTE

SYRUPS

SYRUPS

GLASS BOTTLE 700 ml

The **Polot 1882 syrup line** offers a wide range of references specifically designed to offer multiple innovative solutions in the cafeteria and in the preparation of alcoholic or non-alcoholic cocktails.

Thanks to the typical **sweetness** of sugar syrups and the different **aromatic notes** that characterise these products, it is possible to experiment various combinations and uses, allowing bartenders to create original, but always well-balanced recipes.
